

# CopyCat Carrabba's Italian Grill Seasoning

## Ingredients

$\frac{1}{4}$  cup kosher sea salt  
2 tablespoons freshly ground black pepper  
1  $\frac{1}{2}$  teaspoons granulated garlic, or powder  
1 teaspoon Rinaldo's Toasted Garlic, optional  
1  $\frac{1}{2}$  teaspoons granulated onion, or onion powder, I used Trader Joe's Onion Salt  
1  $\frac{1}{2}$  teaspoons dry oregano  
 $\frac{1}{4}$  teaspoon crushed red pepper

## Directions

In a small bowl or jar, combine all ingredients. Store in airtight container for up to 6 months.

General Guide: use 1 tablespoon seasoning per 1 pound of meat, except fish. If using on fish, drizzle with a little oil or good vegetable oil (I like Avocado oil) and then sprinkle on seasoning.
