

# CopyCat Cracker Barrel Country Style Green Beans

## Ingredients

4 slices of thick cut bacon, chopped into pieces

3-14.5 ounce cans of cut green beans in water (I used Del Monte®), DO NOT DRAIN

1/2 cup finely diced sweet onion

1 tsp granulated sugar

salt and pepper, to taste

## Directions

In large saucepan, add cut up bacon pieces and cook on medium heat until just browned, but not crisp.

Once bacon is done, add in the green beans with their liquid, the onion, and the sugar. Stir. Bring mixture to a boil, then turn down to simmer.

Allow beans to simmer on very low heat for 35-40 minutes without stirring to allow flavors to blend and the onion to cook. (stirring will cause the beans to break apart).

Take off heat and add in salt and pepper to your taste and gently stir. Do not drain off liquid. Serve with a slotted spoon. Enjoy!
