

CopyCat Golden Corral Crab Salad

Ingredients

1 cup chopped green onion
1 cup chopped celery
1/2 cup chopped green bell pepper
1/2 cup ranch salad dressing
1/2 cup heavy mayonnaise
3 pounds imitation crab meat, cut up

Directions

Combine the green onion, celery, bell pepper, salad dressing, and mayonnaise in a bowl and mix well. Gently stir in the crab. You want it to break up a bit but not be shredded.

Serve immediately or for best results, place the crab salad in a covered container and refrigerate overnight. Stir gently before serving and add additional mayonnaise if it seems dry.
