

# CopyCat McDonald's Chocolate Pretzel McFlurry

## Ingredients

2 cups vanilla ice cream  
2 tablespoons whole milk  
10 chocolate covered pretzels  
3 tablespoons caramel sauce divided use

## Directions

Blend the ice cream and milk together in a blender.

Crumble the pretzels into the blender

Add 2 tablespoons of caramel sauce.

Pulse the blender a few times to incorporate the pretzels and caramel sauce. Do not over mix and crush the pretzels too much. You want them just mixed in and still in chunks.

Pour the mixture into a glass.
