

# CopyCat McDonald's Frozen Strawberry Lemonade

## Ingredients

16 ounces lemonade  
2 cups ice cubes  
2 tablespoons strawberry ice cream topping

## Directions

If using powdered lemonade drink mix, prepare the lemonade according to the package directions.

Place 16 ounces of lemonade and 2 cups of ice in a blender.

Blend until the ice is crushed completely.

Place about two tablespoons of strawberry ice cream topping in the bottom of a glass and pour frozen lemonade over the strawberry topping.
