

CopyCat McDonald's Pancakes

Ingredients

3 cups of Bisquick
2 tablespoons of sugar
2 tablespoons of oil
1 and $\frac{1}{3}$ cup Sprite
2 eggs

Directions

Add your Bisquick, Sprite, sugar and oil together and mix until well blended.

Add your eggs and mix until thoroughly combined and not lumpy.

Let mixture rest for 15 minutes so that the carbonation settles out.

In the meantime, grease and heat your griddle or pan to medium-high heat.

When the mixture is ready, add it in $\frac{1}{4}$ cup increments to the pan.

Wait for bubbles to form on the top side of the pancake, then flip.

Cook until golden-brown on both sides.
