

CopyCat McDonald's Shamrock Shake

Ingredients

2 cups vanilla ice cream
1/4 cup half and half
4 drops mint extract
2 drops green food coloring
2 tablespoons whipped cream

Directions

Allow ice cream to soften for about 10 minutes so it will be easy to blend.

Combine the ice cream, half-and-half, mint extract, and food coloring in a blender.

Blend for about 30 seconds or until well combined.

Pour the milkshake into a glass and top with whipped cream. Serve immediately.
