

# CopyCat Olive Garden Alfredo Sauce

## Ingredients

6 ounces cream cheese  
1 stick butter  
1 quart heavy cream  
8 ounces grated parmesan cheese  
 $\frac{1}{2}$  teaspoon garlic powder

## Directions

Melt butter and cream cheese in a sauce pan over medium heat until completely smooth.

Add whipping cream and turn the heat to medium-high. Whisk together until smooth and slightly bubbly.

Add parmesan cheese to taste. I use the full 8 oz but you can use less. Stir in garlic powder.
