## CopyCat Olive Garden Alfredo Sauce

## **Ingredients**

6 ounces cream cheese

1 stick butter

1 quart heavy cream

8 ounces grated parmesan cheese

½ teaspoon garlic powder

## **Directions**

Melt butter and cream cheese in a sauce pan over medium heat until completely smooth.

Add whipping cream and turn the heat to medium-high. Whisk together until smooth and slightly bubbly.

Add parmesan cheese to taste. I use the full 8 oz but you can use less. Stir in garlic powder.
