

CopyCat Popeyes Biscuits

Ingredients

2 Cups of Bisquick
1/2 Cup of Light Sour Cream
1/2 Cup of Sprite
Butter (melted)

Directions

Preheat oven to 400

In a medium size bowl mix sour cream and Bisquick together.

Slowly pour in Sprite, mix until it looks like dough.

Lightly flour a surface and knead the dough for 1 minute or 2.
* NOTE* This dough is extremely sticky so you might need to use some additional flour.

Cut the dough into 4 biscuits and place on cookie sheet lined with parchment paper. Brush melted butter on the top of each. Bake till golden brown – about 15 minutes.
