

CopyCat Taco Bell Crisпитos

Ingredients

1/8 cup Cinnamon
1/2 cup Sugar
10 Tortillas
vegetable oil to fry

Directions

Mix together cinnamon and sugar very well.

In a Dutch oven, or large skillet heat the oil to 350 degrees. If you do not have a thermometer, you can set it on medium-high, but be careful to watch that it doesn't get too hot and begin to smoke.

Quarter the tortillas and deep fry 2-4 at a time. Allow them to cook on one side for about 30 seconds or until golden brown, turn over, and repeat.

When both sides are brown take out, and place on paper towels to drain.

While the tortillas are draining liberally sprinkle with cinnamon and sugar mixture.
