

CopyCat Taco Bell Quesadilla

Ingredients

Taco Bell Quesadilla Sauce:

1/4 Cup Mayo
2 Tsp Minced Pickled Jalapenos
2 Tsp Pickled Jalapeno Juice
2/3 Tsp Sugar
1/2 Tsp Cumin
1/2 Tsp Paprika
1/8 Tsp Cayenne Pepper
1/8 Tsp Garlic Powder
1 Dash Salt

Taco Bell Quesadilla:

1 Chicken Breast
1 Cup Cheddar & Monterey Jack Cheese
1 Slice American Cheese
2 Flour Tortillas (Burrito size)

Directions

Taco Bell Quesadilla Sauce:

Add all ingredients to a small bowl. Stir well to combine. Set aside.

Taco Bell Quesadilla:

Salt & pepper chicken breast on both sides. Heat 1 1/2 Tbsp of vegetable oil over medium-high heat in a skillet. Add chicken breast and cook until done (when internal temperature reaches 165 degrees F). Remove chicken from skillet and thinly slice.

Place tortilla on hot skillet. On one side of the tortilla, place 1/4 cup of the shredded cheese and 1/2 slice of American cheese. Place half of the chicken on top of the cheese.

On the other side, spread about 1.5 tablespoons of the sauce.

Fold tortilla over and press gently with your spatula. Cook until cheese is melted and bubbly, 2-4 minutes each side.

Use a pizza cutter to slice each quesadilla into 4 pieces.
