

CopyCat Wendy's Chocolate Frosty

Ingredients

6 cups vanilla ice cream
1/2 cup Nesquik drink powder
1 cup of milk
1/2 cup of cool whip
2 drops of vanilla extract

Directions

Combine ice cream, Nesquik*, milk and cool whip in blender.

Blend together ingredients for 45 seconds or until desired consistency is reached.

Add vanilla extract. *Additionally, if you want a more Frosty with more chocolate flavor, add another 1/4 cup of Nesquik here.

Blend a final time. Serve in a tall glass and enjoy!
